This is in addition to previously effected reductions in corporate and administration overheads.	
8.8.2 Has the entity taken any steps, or does it propose to take any steps, to raise further cash to fund its operations and, if so, what are those steps and how likely does it believe that they will be successful?	
The entity continues to engage with its shareholder base and the broader equity capital markets. At the time of release of this document, the Board has not resolved to affect a capital raising, however it is considering options to do so following discussions with existing and third party investors.
